Sharing a delicious meal, checking out the local culture, and enjoying Maastricht – this restaurant crawl criss-crossing the city makes it all possible!

Walk from course to course and enjoy the wealth of culinary and cultural delights Maastricht has to offer.

From a culinary point of view, there's plenty to do in Maastricht. You can find any kind of cuisine you like, and there are plenty of restaurants to choose from based on atmosphere and character, whether you're in the mood for French, Mediterranean, or Asian flavours, or the typical tastes of Limburg. You can choose from trendy eateries, Maastricht's characteristic 'brown cafés,' or Michelin-starred restaurants. No wonder Maastricht is the gastronomic capital of the Netherlands!

During this culinary walk, you'll get to know three of these cafés and restaurants. You'll enjoy a three-course dinner, with each course served in a different restaurant. The advantage is that you'll sit somewhere else in each restaurant, sharing your table

with other people each time. It's an informal way to get to know everyone better in a short space of time. Between the courses, you'll stroll past historic highlights in the city centre, while the enthusiastic guide regales you with interesting facts and stories about Maastricht.

During this dynamic evening, you'll enjoy delicious food, wonderful stories, fascinating history, and one another's company!

Duration: 3.5 hours
