It is always a pleasure to walk around the old city centre, but this is even more enjoyable when combined with some culinary stop-offs. We tailor the content and duration of each mo(nu)ment to your preferences.

The possibilities are endless! You can tour the historic Bosch brewery and enjoy a delicious craft beer or taste delicious chocolate or ice cream in flavours that will surprise and delight. Those looking for a more cultural adventure can discover the rich history of the Cellebroederskapel (Cellites' chapel) and enjoy a cup of coffee before touring the chapel. It is also possible to visit Atelier Pauline in the old Jekerkwartier district. Designer Pauline will explain the exclusive hats she designs for both men and women, as well as her bags, jewellery, and felt accessories.

The list of possibilities is endless. Tell us your preferences and we will create a custom programme for you. You can combine a tour of the historic city centre with other memorable moments to

create your very own mo(nu)ment.

Duration: minimum of 2 hours

Price: Starting at €8.50 p.p. excluded with a Mo(Nu)ment. This price is based on a group of 15 people. It can, however, be booked for any number of participants.
