Step on board a private nostalgic mini-cruiser with skipper and enjoy the unexpected contours of Maastricht interspersed with views as far as the eye can see.

This is a great way to discover Maastricht from the water with a small group. Relax on the comfortable seats, while the skipper ensures your trip is plain sailing and provides explanations, if you want, of the sights you can see. You can choose from three routes:

A trip on the Meuse towards the Belgian border and the locks at Ternaaien.

The Historic boat trip through the river harbour 't Bassin, including passages through three sets of locks.

A combination of both routes.

Duration: 2 hours

Price: from € 310.00 with an additional from € 50.00 per hour for

each extra hour. Drinks are available on board that will be charged afterwards.

Number of people: a maximum of eight people can join the trip.
